

# Mariemont Elementary Parent Teacher Association 2019 - 2020

Welcome Mariemont Families!

We are excited to welcome our new and returning families to what is sure to be another incredible school year.

Mariemont is an amazing school, but it doesn't just happen. It takes a lot of individuals working together to make this a place that our students and community can be proud of year after year. The Parent Teacher Association (PTA) is the vital conduit that bridges the needs of our school with the resources to meet those needs.

As a PTA, we strive to support our strong school community while providing opportunities for each student to grow and thrive. Every student at Mariemont is impacted by the work of the PTA. We have numerous events and programs throughout the school year - and we welcome your support and participation to help make it all happen!

## **Get Involved**

The most rewarding and the fastest way to get to know this community is to get involved. Consider volunteering in the classroom, join an ongoing committee or help out at a single event. There are a range of opportunities in time and talent for everyone to be actively involved in our school.

The success of our school relies on our ability to come together as a community. We all have busy lives and lots going on, but we each have to do our part. The PTA is here to facilitate those connections that are needed to ensure that Mariemont remains an amazing school.

Go Mustangs!
